MONTEREY PARK BRUGGEMEYER LIBRARY VOLUNTEER

Kevin Tong

The City Council of the City of Monterey Park hereby recognizes Kevin Tong for his outstanding commitment and dedication as a volunteer for the Bruggemeyer Library where he teaches our popular iPad Basics Classes 2-3 times a year. We are truly grateful to Kevin for helping adult students to learn iPad essentials, including how to use Safari to browse the Internet, how to use Facetime and the iPad camera and much more. Kevin recently taught students how to use the new Axis 360 app to borrow ebooks. Kevin's unwavering commitment to improving computer literacy in our community by sharing his iPad knowledge with others is inspiring to all. Thank you for giving your time and making a difference in so many lives!

MONTEREY PARK BRUGGEMEYER LIBRARY VOLUNTEER

Mary Lei

The City Council of the City of Monterey Park hereby recognizes Mary Lei for her outstanding commitment and dedication as a volunteer for the Bruggemeyer Library where she has assisted with the Cantonese and Mandarin classes for over two years. Mary speaks both Cantonese and Mandarin, is technology savvy, and demonstrates tremendous patience with our senior population. Mary has also assisted students with limited English proficiency skills to learn how to use the computer. She is a dedicated volunteer who shows up to the evening computer classes regardless of cold temperatures or rainy days. The Library is very fortunate to have Mary as a volunteer!

IN RECOGNITION AND APPRECIATION!

Victor M. Garcia
Tacos La Paloma

The City of Monterey extends our sincere appreciation to Mr. Victor M. Garcia for your sponsorship and assistance with the many events we have held throughout this past year. We commend your commitment, dedication and hard work toward ensuring the success of City of Monterey Park events in 2015. Thank you for your ongoing support and volunteerism to benefit the Monterey Park community!

CONGRATULATIONS!

YNEZ SCHOOL

2015 STATEWIDE CAASPP EXAMINATIONS

At the end of the 2015 school year, the first baseline "California Assessment of Students Performance and Progress" (CAASPP) examinations compared the statewide test results in math for 8th grade students in schools with comparable socioeconomic profiles. Ynez School serves 77% low income students and 73% of them exceeded the standards for 8th grade mathematics. The City Council extends their sincere congratulations to the Ynez School 8th grade math students for an unprecedented achievement in the entire State of California!

Ms. Carla Danner-Powell, Principal
Ms. Miami Yang, Math Teacher and Coach
Ms. Margaret Gagner, Math Teacher & Faculty Chair of the Math Club
Ms. Caren Ong, Math Teacher & Co-Chair of the Math Club

LOS ANGELES COUNTY MATH FIELD DAY, 2015

The MATHCOUNTS events use math questions that are written by engineers. Competitive events include formats where students individually or in teams "square off" "face-to-face" at tables or onstage with students from other schools with timed exercises. The Ynez School 8th Grade Math team represented the Alhambra Unified School District and won the district, the 2015 Regional Trophy for Overall Results.
