MPMR has requested to rent the pool to resume swim practices. Based upon the COVID-19 emergency, however, all City facilities were closed in March; they have not been reopened. Recreational facilities, such as swimming pools, are not on any

3E. LEGAL SERVICES AGREEMENTS WITH HANNA, BROPHY, MACLEAN, MCALEER & JENSEN, LLP (WORKERS COMPENSATION)

The City uses the services of outside, specialized legal counsel for assistance with litigated workers compensation claims. David Thomas has been with Hanna, Brophy, MacLean, McAleer & Jensen, LLP since 2003 and is listed as an office managing partner. Mr. Thomas handles Workers Compensation matters for other member cities of the Independent Cities Risk Management Authority (ICRMA), of which Monterey Park is a member city. Staff recommends that the City Council authorize the City Manager to execute a standard retainer agreement with this firm to confirm their representation of the City of Monterey Park for selected workers compensation claims.

3F. DELEGATION OF SETTLEMENT AUTHORITY

A review of the City's existing claims processing procedures suggests that the City Council should delegate authority to the City Manager for administering, compromising, and settling claims up to \$50,000 in accordance with Government Code § 935.4.

Under the City's current procedures, filed claims are forwarded to the ICRMA's third-party claims investigators, Carl Warren & Company. That company reviews each claim and makes a recommendation to the City regarding whether the claim should be rejected or not. Based upon that recommendation, the City Manager's

office either rejects the claim or seeks to pay it if the amount sought is less than \$25,000. For all cases, the City Council retains authority to settle cases up to \$500,000 in its sole discretion.

If a claim is rejected, a claimant may file a complaint against the City with the court. Under such circumstances, the complaint is generally forwarded to the ICRMA for defense and indemnification. If the ICRMA assumes the defense and indemnification for an action, the City does not generally have any role in settling cases.

The proposed Resolution would be a clear delegation of authority to the City Manager, or designee, to reject or resolve claims. It would also place certain limitations on the City Manager's ability to settle claims including the dollar limitation of \$50,000. Any settlement between \$50,000 and \$500,000 would be approved by the City Council (anything above \$500,000 would be assumed by ICRMA). Finally, it would establish certain procedures for claims investigations and service of complaints.

Action Taken: The City Council adopted Resolution No. 12185 delegating authority for processing and settling claims filed against the City and directed the City Manager to provide a quarterly report to the City Council on all settlement that are \$50,000 or below.

Motion: Moved by Mayor Pro Tem Chan and seconded by Mayor Liang motion carried by the following vote:

Ayes: Council Members: Yiu, Lo, Sornoso, Chan, Liang
Noes: Council Members: None
Absent: Council Members: None
Abstain: Council Members: None

Resolution No. 12185, entitled:

A RESOLUTION AUTHORIZING THE CITY MANAGER, OR DESIGNEE, TO ADMINISTER, COMPROMISE, OR SETTLE CLAIMS IN ACCORDANCE WITH GOVERNMENT CODE §§ 910 ET SEQ. AND MONTEREY PARK MUNICIPAL CODE §§ 13.12.010 ET SEQ.

3G. SAFE, CLEAN WATER PROGRAM FUND TRANSFER AGREEMENT

In November 2018, voters approved the Safe, Clean Water (SCW) Program, also known as Measure W, a special parcel tax based on impermeable areas within the jurisdiction of the Flood Control District (District). Prior to receipt of the funds, the City must submit an annual plan of eligible expenditures and enter into a fund Transfer Agreement with the District. The City's estimated FY 2020-21 Measure W funds is estimated to be \$740,000. There is no fiscal impact to General Fund.

Action Taken: The City Council authorized the City Manager to execute a Safe, Clean Water Program Fund Transfer Agreement for the City's Storm Water Program.

Motion: Moved by Council Member Lo and seconded by Council Member Sornoso motion carried by the following vote:

Ayes: Council Members: Yiu, Lo, Sornoso, Chan, Liang
Noes: Council Members: None
Absent: Council Members: None
Abstain: Council Members: None

3H. TRAFFIC SIGNAL MAINTENANCE – AWARD OF CONTRACT

The City's traffic signal maintenance contract expires on August 31, 2020. On June 30, 2020, two companies submitted proposals. Staff reviewed all proposals and is recommending that a new three year maintenance contract be awarded to Bear Electrical Solutions, Inc. from Alviso, CA.

Action Taken: The City Council authorized the City Manager to execute a three-year agreement, in a form approved by the City Attorney, with Bear Electrical Solutions, Inc., in an amount not to exceed \$324,000 or \$108,000/year, for the maintenance of the City's traffic signals on Consent Calendar.

Tentative Parcel Map No. 76041 was approved by the Planning Commission on September 26, 2017 (via Resolution No. 10-17); the tentative parcel map was due to expire on September 26, 2019. On August 19, 2019, the applicant timely filed a one-year time extension to record the parcel map – this request was approved by the City Council on September 9, 2019 (via Resolution No. 12101). The parcel map was reviewed by the City's consultant surveyor, Boghossian & Associates, for mathematical accuracy; survey analysis; title information; and compliance with the Subdivision Map Act, Conditions of Approval and applicable Monterey Park Municipal Code provisions. Because not all public improvements are complete, the developer, Jack Lau, manager of the Oro-Ashi, LLC, must enter into a Subdivision Improvement Agreement (secured with appropriate bonds) in order for the Final Parcel Map to be approved.

CEQA (California Environmental Quality Act):

On September 26, 2017, the Planning Commission found that the Project was categorically exempt from the requirements of CEQA pursuant to CEQA

Guidelines §§ 15315 as a Class 15 categorical exemption (Minor Land Division). The findings and conclusions made by the Planning Commission are incorporated into the attached Resolution by reference.

On June 19, 2019, City Council authorized the City Manager to execute three Memoranda of Understanding between the City of Monterey Park and the Metropolitan Water District (MWD) of Southern California for El Niño Preparedness projects at three areas near Garvey Reservoir. On December 18, 2019, City Council authorized the City Manager to execute extensions to the three Memoranda of Understanding through December 31, 2020.

Staff prepared bid specifications for the Garvey Reservoir Areas 2, 3, & 4 Drainage Improvements project and is requesting the City Council's authorization to advertise the project for construction bids.

CEQA (California Environmental Quality Act):

The proposed project is categorically exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to 14 California Code of Regulations § 15301 as a Class 1 categorical exemption (Existing Facilities). The project results in minor alterations to existing public facilities involving no significant expansion of the existing use. The project is not anticipated to have any significant impacts with regard to traffic, noise, air quality, or water quality. There are adequate utilities and public services to serve the project.

Action Taken: The City Council adopted Resolution No. 12187 approving the design and plans for the Garvey Reservoir Areas 2, 3, & 4 Drainage Improvements and authorized solicitation of bids. Mayor Pro Tem Chan and Council Member Lo recused themselves and were placed into the Zoom waiting room due to a potential Conflict of Interest, as their residence resides within 500 feet of the subject site.

The City of Monterey Park is a federal entitlement grant recipient of CDBG and HOME funds from HUD. The Annual Action Plan provides a concise summary of the actions, activities, and the specific resources that will be used each year to address the priority needs and specific goals identified by the Consolidated Plan.
