3. PRESIDENT'S REPORT

Trustee Duong noted that this was her last meeting as Library Board President and stated that it was a pleasure to serve, and she learned a lot. She is confident in handing over the position to Trustee Tang.

4. CITY LIBRARIAN'S REPORT

City Librarian Garcia reported that the candidate for full-time Library Assistant position in Children's Services continues to progress through the background screening, having passed the fingerprint check, and is scheduled for the medical exam.

Adult Services Senior Librarian Deborah Niblick has requested to transition to become the Teen Services Librarian. Teens had been Senior Librarian Niblick's focus before coming to this Library – she is the author of the book *Serving Teens with Mental Illness in the Library: A Practical Guide*. Senior Librarian Niblick has overseen Teen Services since the retirement of the former Teen Services Librarian in January, and she has reaffirmed her enthusiasm and satisfaction in working

specifically with teens. In response to questions from the Trustees, City Librarian Garcia noted that the Library had not yet been actively recruiting to fill the vacant Teen Librarian position when Senior Librarian Niblick requested to transition. Under City of Monterey Park Personnel Rules, it is acceptable to transfer. Senior Librarian Niblick will continue to serve as Adult Services Senior Librarian until a replacement is hired.

The employment announcement for Senior Librarian now includes both Adult Services and Technical Services. Recruitment for both positions is in progress. The next review of applications is June 30.

Maggie Wang, Librarian in Adult Services, has announced her retirement effective July 15.

In addition to the soon-to-be vacant full-time Librarian position in Adult Services, the Library is recruiting for the full-time Librarian position in Children's Services, a part-time Librarian position in Reference Services and a part-time Librarian position in Children's Services. The first review of applications will be July 7.

One part-time Library Assistant candidate in LAMP Literacy and Citizenship Services is progressing through the background check process.

City Librarian Garcia hopes that hiring to fill all vacant staff positions in the Library will be completed by the end of the year. She noted that the new staff members bring energy and ideas which enhance Library services.

The Library's Summer Reading Programs for Children, Teens and Adults began on June 7. Children's Services presented a juggler performance at Langley Center (the larger space will allow as much as three times as many families to attend than if the event was held in the Friends Room) and an after-hours family camp-in in the Library. Teen Services had teens design DIY mugs and launched a Dungeons & Dragons program. Adult Services screened a documentary on Turnbull Canyon by a local filmmaker and native Monterey Park resident. Registration for the Summer Reading Program has increased from 2021 by 45% in Children's Services, 91% in Teen Services and 23% in Adult Services compared to the same period last year.

Trustee Tang asked for an update on the strategic plan. City Librarian Garcia reported that the contract with BerryDunn has been executed. She will meet with the consultants assigned to the project on June 22 to determine the next steps and timeline. City Librarian Garcia, members of the Library's management team and other Library staff will be involved in the planning process, but Library Board Trustees will be among those interviewed to provide input. City Librarian Garcia said that she would regularly update the Library Board on the project's progress.

5. BY-LAWS OF THE LIBRARY BOARD OF TRUSTEES

City Librarian Garcia noted at the last meeting, there was a request by Trustee Yam to revise the By-Laws of the Library Board of Trustees to remove the following provision in Article IV, Section 6: "Trustees who serve at least one full term before they leave the Library Board will receive a plaque for their service."

In accordance with the By-Laws, the proposed amendment was sent to the Trustees at least 15 days prior to the meeting at which such amendment is to be voted upon.

Trustee Yam stated that his intent was not to preclude giving a plaque to qualifying outgoing Trustees, but that this provision did not need to be included in the By-Laws and that there could be better ways to honor Trustees' service. Providing a plaque has not always been practiced. Trustee Tang agreed that the provision was unnecessarily restrictive and not needed. Prior Trustees have been honored in other ways and current Trustees could brainstorm ideas. Trustee Dhing said that the honor of serving the community should be its own reward and he did not think that other Trustees looked for a plaque. Trustee Yam agreed. Trustee Duong stated that gratitude should be expressed to outgoing Trustees, but other methods specific to individual Trustees might be better.

Approve the recommended revision to Library Policy 59-01, By-Laws of the Library Board of Trustees

Action Taken: The Library Board of Trustees approved the recommended revision to Library Policy 59-01, By-Laws of the Library Board of Trustees.

Motion: Moved by Trustee Yam and seconded by Trustee Tang. Motion carried by the following vote:

Ayes:	Trustees: Tang, Yam and Sullivan
Noes:	Trustees: Dhing
Absent:	Trustees: None
Abstain:	Trustees: Duong

City Librarian noted that depending upon the wishes of the Library Board, the Trustees could contribute towards any action taken to honor an outgoing Trustee or the Library could find funding within its budget. She would assist or facilitate any future decision.

6. BOARD COMMUNICATIONS

City Librarian Garcia stated that, as it was his last meeting, she wanted to recognize Trustee Dhing. He was always willing to do the work, came prepared to meetings and was dedicated to serving the community. Trustee Dhing was an absolute asset and a pleasure to work with.

Trustee Dhing expressed his appreciation to City Librarian Garcia and Administrative Secretary Kishida. He thanked Administrative Secretary Kishida for her positivity, organizational skills and involvement with the community. He commended City Librarian Garcia for utilizing her extensive expertise and experience in elevating the Library to its fullest potential, in part by carefully selecting staff who were assets and always demonstrating her commitment to the Library and the community.

The other Trustees thanked Trustee Dhing for two terms well-served and expressed their admiration for his passion for education and children especially and devotion to his family, the Library and the community.

Trustee Tang reported that she attended the discussion at the Library with local LGBTQIA+ young adult author Felipe J. Garcia on June 4 following the Pride Festival in Barnes Park. Senior Librarian Niblick did a wonderful job facilitating the conversation and the message of self-acceptance and self-love was very powerful. She thanked the Library for organizing the event.

Trustee Duong stated that she was happy to announce that a sponsor would be donating an undisclosed amount of money to the Library in the future.

ADJOURNMENT

There being no further business for consideration, the meeting was adjourned at 7:26 p.m.
