Planning Commission Staff Report

DATE: February 28, 2017

AGENDA ITEM NO: 3-A

TO: The Planning Commission
FROM: Michael A. Huntley, Community and Economic Development Director
SUBJECT: A Public Hearing to Consider a Conditional Use Permit (CU-17-01) to permit on-sale (Type 41 beer and wine) license for a bona fide public eating place – 120 North Garfield Avenue #108.

RECOMMENDATION:

It is recommended that the Planning Commission consider:

- (1) Opening the public hearing;
- (2) Receiving documentary and testimonial evidence;
- (3) Closing the public hearing;
- (4) Adopting the Resolution approving the requested Conditional Use Permit (CUP-17-01), subject to conditions of approval contained therein; and
- (5) Taking such additional, related, action that may be desirable.

CEQA (California Environmental Quality Act)

The proposed project is categorically exempt from the provision of the California Environmental Quality Act (CEQA) per State CEQA guidelines CEQA Guidelines § 15301 (Class 1 – Existing Facilities), because the project consists of operating and licensing of an existing establishment.

EXECUTIVE SUMMARY:

The applicant, Yongshun Wang of East Fusion Restaurant, is requesting approval of a Conditional Use Permit to allow on-sale beer and wine (Type 41 license) in conjunction with the operation of a bona fide public eating place located at 120 North Garfield Avenue #108. The property is zoned C-B, P-D (Central Business, Planned Development) and is designated Mixed-Use I (MU-I) in the General Plan. The project is also located in Business Improvement District No. I (Downtown).

Staff is recommending approval of Conditional Use Permit (CUP-17-01) subject to the conditions contained in the Resolution to address any concerns that are typically associated with alcohol uses.

BACKGROUND:

The subject property is located on the northeast corner of the North Garfield Avenue and East Garvey Avenue. The subject lot is 23,573 square feet (0.54 acres) in size and

is currently developed with an 11,700 square feet, one-story multi-tenant commercial building. The subject property is completely built out with only 8 on-site parking spaces. The existing 87 parking spaces located south of the subject property is public parking in Parking District 2.

The subject building is comprised of a liquor store, bakery, three restaurants, and beauty salon. Properties located to the north, south, east, and west of the subject property are commercial uses. The property is accessible from North Garfield Avenue and Lincoln Avenue.

Project Description

East Fusion Restaurant is an existing restaurant that is currently in operation. According to the floor plan, the subject unit is 3,868 square feet. The dining area is less than one-half (1,212 square feet) of the restaurant. The interior dining area is made up of seven 5-seat circular tables and 13 booth seats. The remaining area includes the kitchen service area, storage, and restrooms. The business operating, meal service and alcohol service hours are Sunday from 10:00 a.m. to 1:00 a.m. and Monday through Sunday. The on-site alcoholic beverages services will complement the restaurant's meals. No separate bar area is indicated on the floor plan of the restaurant, nor is any entertainment proposed for the business at this time.

According to Government Code § 23958.4, a total of 4 on-sale licenses are allowed before the census tract reaches the threshold of being defined as having undue concentration in the subject Census Tract No. 4817.11. Based on a population of 1,000 in the census tract, the Department of Alcoholic Beverage Control allows 4 on-sale licenses in this census tract and currently there are 0 licensed establishments.

According to MPMC § 21.10.230(G), there are no distance requirements for on-sale alcoholic beverages when sold in conjunction with a bona fide retail eating establishment. However, on-site sale uses must comply with the list of requirements specified in the MPMC § 21.10.230(C). Some of the requirements include limiting the exterior lighting of the parking area to intensities between one and two foot-candles so as to provide adequate lighting for patrons while not disturbing surrounding residential or commercial areas and special security measures, such as security guards and alarm systems. Staff conducted a site inspection and found that the subject property has adequate exterior lighting attached the building walls and parking lot area. The existing exterior lights provide adequate lighting without disturbing the adjacent properties.

The Police Department included condition numbers 22 through 31 in the Resolution to address security and alarm requirements. The Police Department will monitor the subject property relative to safety items such as hours of operation, whether complaints are received, and alcohol must be served along with food only.

This application is for a Type 41 on-sale license for the serving of beer and wine in conjunction with a bona fide public eating place. The applicant has clearly stated that it does not wish to provide entertainment uses. However, if a request were to be

submitted at any future date, the applicant would have to request a modification to the CUP.

RESOLUTION NO.

A RESOLUTION APPROVING CONDITIONAL USE PERMIT (CUP-17-01) TO PERMIT ON-SALE ALCOHOLIC BEVERAGES (BEER AND WINE) IN CONJUNCTION WITH A BONA FIDE PUBLIC EATING PLACE AT 120 NORTH GARFIELD AVENUE #108.

The Planning Commission of the City of Monterey Park does resolve as follows:

SECTION 1: The Planning Commission finds and declares that:

- A. On January 17, 2017, Yongshun Wang of East Fusion Restaurant, submitted an application, pursuant to Monterey Park Municipal Code ("MPMC") §§ 21.10.230 and 21.32.020, requesting approval of Conditional Use Permit (CUP-17-01) to permit on-sale alcoholic beverages (beer and wine) for a bona fide public eating place at 120 North Garfield Avenue #108 ("Project");
- B. The proposed Project was reviewed by the City of Monterey Park Community and Economic Development Department for, in part, consistency with the General Plan and conformity with the MPMC;
- C. In addition, the City reviewed the Project's environmental impacts under the California Environmental Quality Act (Public Resources Code §§ 21000, *et seq.*, "CEQA") and the regulations promulgated thereunder (14 California Code of Regulations §§ 15000, *et seq.*, the "CEQA Guidelines");
- D. The Community and Economic Development Department completed its review and scheduled a public hearing regarding the Project before the Planning Commission for February 28, 2017. Notice of the public hearing was posted and mailed as required by the MPMC;
- E. On February 28, 2017, the Planning Commission held a public hearing to receive public testimony and other evidence regarding the proposed Project, including, without limitation, information provided to the Planning Commission by City staff and public testimony, and representatives of Yongshun Wang; and
- F. This Resolution and its findings are made based upon the testimony and evidence presented to the Commission at its February 28, 2017 hearing including, without limitation, the staff report submitted by the Community and Economic Development Department.

SECTION 2: *Factual Findings and Conclusions.* The Planning Commission finds that the following facts exist and makes the following conclusions:

- A. The Applicant seeks to serve beer and wine in conjunction with an existing retail eating establishment;
- B. 120 North Garfield Avenue #108 is zoned C-B, P-D (Central Business, Planned Development) and designated MU-I (Mixed-Use I) in the General Plan;

**PLANNING COMMISSION
RESOLUTION NO.
PAGE 2 OF 5**

- C. The subject property is located on the east side of North Garfield Avenue, north of Garvey Avenue. Properties location to the north, south, east, and west of the subject property are commercial uses;
- D. The lot is 23,573 square feet (0.54 acres) in size and is currently developed with an 11,700 square feet, one-story multi-tenant commercial building; and
- E. The subject property is completely built out with only 8 on-site parking spaces. The existing 87 parking spaces located south of the subject property is public parking in Parking District 2.

SECTION 3: Environmental Assessment. Because of the facts identified in Section 2 of this Resolution, the Project is categorically exempt from additional environmental review pursuant to CEQA Guidelines § 15301 (Existing Facilities).

SECTION 4: Conditional Use Permit Findings. Pursuant to MPMC §§ 21.10.230 (B) and 21.32.020, the Planning Commission finds as follows:

- A. That the proposed use complies with all requirements as set forth for the issuance of a conditional use permit.

The proposed use complies with all requirements for a conditional use permit. First, the site is adequate in size, shape and topography for the proposed use because the proposed use is the addition of beer and wine sales for on-site consumption to an existing restaurant. No physical changes are proposed to the site. Second, the site has sufficient access to streets and highways, adequate in width and pavement type to carry the quantity and quality of traffic generated by the proposed use. The proposed use is not expected to significantly increase traffic. Third, the proposed use is consistent with the General Plan and conforms to objectives of the General Plan and the Monterey Park Municipal Code zoning regulations. The subject property is designated Mixed-Use I in the General Plan. The Mixed-Use I land use category allows for retail, service, office, and entertainment and dining establishments. The proposed use is the addition of beer and wine sales to accompany meals at an existing retail eating establishment. On-sale alcoholic beverage sales are permitted in the C-B, P-D (Central Business, Planned Development) Zone with Conditional Use Permit approval. Fourth, the proposed use, as conditioned, will not have an adverse effect on the use, enjoyment or valuation of property in the neighborhood as required security measures will minimize the potential for any negative impacts. Lastly, the proposed use will not have an adverse effect on the public health, safety, and general welfare because security measures and the limited size of the use will limit any potential adverse effects to neighboring properties.

- B. That the proposed use will not present adverse secondary impacts, including, without limitation, loitering, obstruction of pedestrian traffic, vehicular traffic, parking, crime

**PLANNING COMMISSION
RESOLUTION NO.
PAGE 3 OF 5**

interference with children on their way to school, interference with shoppers using streets, defacement and damage to structures.

The proposed use is the addition of on-site beer and wine sales in conjunction with an existing retail eating establishment. On-sale alcoholic beverage uses are permitted with a conditional use permit. The MPMC require properties to be adequately maintained and conditions numbers 22 and 31 are included to address security concerns. The Police Department will monitor the subject property relative to safety items such as hours of operation, whether complaints are received, and alcohol to be served along with food only.

- C. That the proposed use will not lessen the suitability of any nearby commercially-zoned properties for commercial use.

The subject property is zoned C-B, P-D (Central Business, Planned Development). A retail eating establishment is a permitted principle use in the C-B (P-D) Zone. Properties located to the north, south, east, and west of the subject property are commercial uses. The property is accessible from North Garfield Avenue and Lincoln Avenue. The suitability of any nearby commercial-zoned properties for commercial use will remain the same.

- D. The use does not adversely affect the welfare of area residents or result in undue concentration in the neighborhood of establishments dispensing alcoholic beverages including beer and wine.

The applicant's request to add beer and wine sales (Type 41 alcohol license) for on-site consumption in conjunction with the existing eating establishment will enhance the business and will not adversely affect the welfare of area residents since the addition of beer and wine sales, as mentioned, will be incidental to the primary use. According to Government Code § 23958.4, a total of 4 on-sale licenses are allowed before the census tract reaches the threshold of being defined as having undue concentration in the subject Census Tract No. 4817.11. Based on a population of 1,000 in the census tract, ABC allows 4 on-sale licenses in this census tract and currently there are 0 licensed establishments.

According to MPMC § 21.10.230(G), there are no distance requirements for on-sale alcoholic beverages when sold in conjunction with a bona fide retail eating establishment. However, on-sale uses must comply with the list of requirements specified in the MPMC § 21.10.230(C). Some of the requirements include limiting the exterior lighting of the parking area to intensities between one and two foot-candles so as to provide adequate lighting for patrons while not disturbing surrounding residential or commercial areas and special security measures, such as security guards and alarm systems. The existing exterior lights provide adequate lighting without disturbing the

adjacent properties. The Police Department has included conditions numbers 22 through 31 in the Resolution to address security and alarm requirements.

SECTION 5: Approval. Subject to the conditions listed on the attached Exhibit "A," which are incorporated into this Resolution by reference, the Planning Commission approves Conditional Use Permit (CUP-17-01).

SECTION 6: Reliance on Record. Each and every one of the findings and determinations in this Resolution are based on the competent and substantial evidence, both oral and written, contained in the entire record relating to the project. The findings and determinations constitute the independent findings and determinations of the Planning Commission in all respects and are fully and completely supported by substantial evidence in the record as a whole.

SECTION 7: Limitations. The Planning Commission's analysis and evaluation of the project is based on the best information currently available. It is inevitable that in evaluating a project that absolute and perfect knowledge of all possible aspects of the project will not exist. One of the major limitations on analysis of the project is the Planning Commission's lack of knowledge of future events. In all instances, best efforts have been made to form accurate assumptions. Somewhat related to this are the limitations on the City's ability to solve what are in effect regional, state, and national problems and issues. The City must work within the political framework within which it exists and with the limitations inherent in that framework.

SECTION 8: Summaries of Information. All summaries of information in the findings, which precede this section, are based on the substantial evidence in the record. The absence of any particular fact from any such summary is not an indication that a particular finding is not based in part on that fact.

SECTION 9: This Resolution will remain effective until superseded by a subsequent resolution.

SECTION 10: A copy of this Resolution will be mailed to Yongshun Wang and to any other person requesting a copy.

SECTION 11: This Resolution may be appealed within ten (10) calendar days after its adoption. All appeals must be in writing and filed with the City Clerk within this time period. Failure to file a timely written appeal will constitute a waiver of any right of appeal.

SECTION 12: Except as provided in Section 9, this Resolution is the Planning Commission's final decision and will become effective immediately upon adoption.
