ARTICLE 1: SCOPE OF MEMORANDUM OF UNDERSTANDING

It is the intent and purpose of this MOU to assure sound and mutually beneficial working and economic relations between the parties to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth the basic and full agreement between the parties concerning wages, hours of employment, and other conditions of employment.

ARTICLE 2: RECOGNITION

ARTICLE 3: CITY RESPONSIBILITIES AND RIGHTS

- A. To ensure that the City is able to carry out its statutory functions and responsibilities, the following matters will not be subject to the terms of this MOU but shall be within the exclusive discretion of the City: to select and determine the number and types of employees required; to assign work to employees in accordance with the requirements determined by the City; to establish and change work schedules and assignments; to hire, transfer, and to promote or to lay off employees for lack of work and for all other legitimate reasons; to suspend, discipline, or discharge employees for just cause; to expand or diminish services; to subcontract for any work or operations; to determine and change methods of operations; to determine and change, at its sole discretion, the number of

locations, relocations and types of operations and the processes and materials to be employed.

- B. Except in emergencies, or where the City is required to make changes in its operations because of the requirements of law, whenever the exercise of management's rights shall impact on employees of the bargaining unit, the City agrees to meet and confer with representatives of the Association, upon request by the Association, regarding the impact of the exercise of such rights, unless the matter of the exercise of such rights is provided for in this Memorandum of Understanding, Personnel Rules and Regulations or Salary Resolutions.

ARTICLE 4: EMPLOYEE AND/OR EMPLOYEE REPRESENTATIVES

- A. During the term of this MOU, all employees, as described above in Article 2, shall have the right to join the Monterey Park Mid-Management & Confidential Association, or to refuse or refrain from joining said organization.
- B. Subject to Section F, below, members of the Association may, by any reasonable method, select four (4) employee members to meet and confer with the City Representative Committee or other management officials on subjects within the scope of representation during the regular duty or work hours, without loss of time, provided:

However, the Department Director(s) or his/her designee(s) has authorization to deny use of release time by any Association representative when, in the sole judgment of the Department Director(s), release of the representative(s) may reasonably be expected to cause or contribute to an unreasonable delay in the provision of services on behalf of the Department.

- G. In each case, a written notice of disposition must be forwarded to the grievant and to the next higher authority within fifteen (15) calendar days of receipt of the employee's written grievance.

- E. The City Manager shall be the final authority in all cases except those in which a violation of the Personnel Ordinance or Rules is alleged. <u>Recreation Supervisor</u>	<u>Senior Accountant</u>
<u>Senior Librarian</u>	<u>Senior Planner</u>

- B. During the term of this agreement, FLSA exempt employees, who are regularly required to attend evening meetings or work additional hours, shall receive 40 hours of Administrative Leave, each July 1st, in addition to flex time for extraordinary assignments. Employees holding the position of ~~Recreation Manager and~~ Recreation Supervisor will receive an additional sixteen (16) hours of administrative leave (for a total of 56 hours) per year. Administrative Leave shall have no monetary value, nor shall it be carried over from one fiscal year to the next.
1. FLSA exempt employees who have been designated by their Department Director, with the approval of the City Manager, may receive an additional 16 hours each fiscal year of Administrative Leave. This additional Administrative Leave shall be granted utilizing the following criteria: employee is regularly required or expected to attend City Council, City Commission or other City related functions that occur after normal business hours and/or the Department Director determines that the employee is consistently required to work hours beyond the normal business hours to the extent that the additional hours are justified.

- C. The times during the fiscal year at which an employee may take his/her administrative leave shall be determined by the Department Director with due regard for the wishes of the employee and the needs of the service. - D. Employees requesting to utilize their administrative leave shall complete a Leave of Absence request form and forward the approved form to payroll. The ~~Finance Management Services~~ Department shall maintain records of accrued administrative leave hours and the

ARTICLE 10: PAID TIME OFF VACATION

- A. Accrual of, and eligibility to utilize, vacation shall commence upon date of employment.
- B. Effective August 16, 2025, the ~~vacation leave and sick leave will be combined to accrue as Paid Time Off ("PTO") and~~ shall not be accumulated in excess of ~~800500~~ hours. Any hours in the member's vacation account on September 30, 2012 in excess of 300 hours was placed in a separate bank for future use, (i.e.- actual vacation time, cash out, as authorized, or it may remain in the bank until the employee retires, with no requirement to use this time prior to using the employee's primary bank).
- C. It is the intent and purpose of this ~~PTOvacation~~ policy that all unit members avail themselves of accrued ~~PTOvacation~~ time in order to promote a safe and productive working environment. However, the parties do recognize that personal circumstances and/or the staffing requirements of any given department may periodically impact the ability of a unit member to utilize any or all of his/her/their annual ~~PTOvacation~~ accrual. Therefore, it is the policy of the city that no unit member may accrue greater than ~~800500 PTOvacation~~ hours. Upon accrual of ~~800500 PTOvacation~~ hours, no unit member shall accrue any additional ~~vacation~~ hours nor be compensated for any ~~vacation~~ hours in excess of ~~800500~~ unless and until utilization of accrued ~~PTOvacation~~ time results in the employee's ~~vacation PTO~~ account totaling less than ~~800500~~ hours.
- D. In the event one or more municipal holidays fall within an annual vacation leave, such holidays shall not be charged as ~~PTOvacation~~ leave.
- E. The times during the calendar year at which an employee may take his/her/their ~~PTOvacation hours~~ shall be ~~approved~~determined by the Department Director with due regard for the wishes of the employee, governing law, the employee's accumulated ~~PTOvacation credits hours~~, and with particular regard for the needs of the service.
- F. At the sole discretion of the City Manager, special consideration may be given to an employee's written request to accumulate ~~PTO hoursvacation credits~~ in excess of the maximum allowable ~~PTOvacation~~ balance of ~~800500~~ hours. Only in exceptional circumstances shall an employee be allowed to exceed the maximum ~~PTOvacation~~ accrual. Any approval to accrue in excess of the accrual cap requires a written request from the Department Director to the City Manager stating that the employee will not be authorized to utilize vacation prior to reaching the accrual cap because of Department staffing requirements.
- F. G.—At time~~Upon commencement~~ of employment, unit members with full-time City service in addition to prior full-time service with another public agency (must provide proof of service) will be eligible to accrue ~~PTOvacation~~ hours as follows:~~leave with pay shall be~~

~~granted each regular employee at the rate of 80 hours each year.~~

<u>0 years to completion of 4 years</u>	<u>170 hours/year</u>
<u>5 years to completion of 9 years</u>	<u>204 hours/year</u>
<u>10 years to completion of 14 years</u>	<u>244 hours/year</u>
<u>15 years to completion of 19 years</u>	<u>284 hours/year</u>
<u>20 years+</u>	<u>290 hours/year</u>

~~Additional Vacation—Additional vacation leave with pay shall be granted each regular employee at the rate of 8 hours each year, beginning with the commencement of the employee's sixth (6th) anniversary until the accrual is 200 hours per year. Maximum vacation accrual per year (basic plan plus additional vacation days) is 200 hours.~~

ARTICLE 11: SICK LEAVE

A. ~~Effective August 16, 2025, unit members will no longer accrue hours in sick leave bank 2. The hours will be frozen and eligible to use if the employee exhaust all other leaves and qualifies to utilize the frozen sick leave bank 1 or 2 based on the Section B. Sick leave with pay shall be granted to every full-time employee who has been continuously employed for a period of time in excess of 30 days. Such sick leave shall be granted by the appointing authority at any time after 30 days of employment at the rate of 7.33 hours per month (88 hours per year) for each full calendar month of continuous employment with the City, including time served in a probationary status.~~

B. Sick leave is paid leave from work that can be used for the following purposes:

(a) diagnosis, care, or treatment of an existing health condition of, or preventative care for, an employee or any of the following of the employee's family members: child of any age or dependency status; parent; parent-in-law; spouse; registered domestic partner; grandparent; grandchildren; or sibling; or

(b) for an employee who is a victim of domestic violence, sexual assault, or stalking to: i) obtain or attempt to obtain a temporary restraining order or other court assistance to help ensure the health safety or welfare of the employee or his or her child; or ii) obtain medical attention or psychological counseling; services from a shelter; program or crisis center; or participate in safety planning or other actions to increase safety.

For full time employees, one-half of the employee's accrued and available annual sick leave is protected and may be used for any of the purposes stated above. However, the City permits that a total of forty-eight (48) hours of sick leave may be used per calendar year for family sick leave purposes.

C. ~~If employee qualifies to utilize sick leave~~Sick usage shall first be deducted from Bank No. 2.

- D. In order to receive compensation while absent on sick leave, the employee shall notify his/her/their immediate supervisor, or the Director of Human Resources and Risk Management, prior to the time set for the beginning of his/her/their daily duties or as specified by the Director of his/her department. A supervisor may require an employee to submit a physician's statement of illness or other satisfactory verification of illness after three days absence for illness. Following three (3) days of absence, a supervisor may require of the employee that they submit a health care provider's certificate indicating they are capable of returning to duty.
- E. The City Manager may, at any time, in order to receive further information with respect to the competency of the employee to perform his/her job duties, require such employee to submit to a medical examination, either physical or mental, at the expense of the City.

Refusal of an employee to submit to such medical examination will constitute insubordination and grounds for disciplinary action.

- F. Sick Leave Reimbursement Plan – the City shall continue the plan for reimbursement of the unused balance of accrued sick leave earned prior to October 1, 2011, in the following manner:

SICK LEAVE BANK NO. 1:

- 1. Upon service or disability retirement of an employee, the City will pay to the employee an amount equal to 50% of the individual employee's accumulated sick leave account in Bank No. 1. In addition, the City contracts with PERS for the Sick Leave Credit option.
 - a. Upon death of an employee prior to retirement, the City will pay to the employee's designated beneficiary, an amount equal to 50% of the employee's accumulated sick leave balance in Bank No. 1

For sick leave earned on or after October 1, 2011, the following applies:

SICK LEAVE BANK NO. 2:

- 1. Sick leave for all bargaining unit members shall be “capped” at 800 hours in Sick Leave Bank No. 2. Employees who retire with more than 10 total years of city service shall be eligible to “cash out” accrued sick leave in Bank No. 2 at the rate of 12 hours for each one year (12 full months) of city service. City service, for the purposes of determining how many hours an employee would be eligible to cash out, shall be calculated beginning with October 1, 2011.
- 2. Upon voluntary resignation, the City will pay to the employee an amount equal to 25% of the employee's accumulated sick leave balance, provided that the employee's sick leave utilization rate has not exceeded 33% of the annual accrual rate in the preceding five years, excluding sick leave hours cashed out pursuant to

the provisions of this MOU, utilized for donations or membership in the Catastrophic Leave Bank.

- G. Catastrophic Leave Bank. Unit members who have contributed hours to the Catastrophic leave bank prior to July 1, 2025, are eligible to request hours as outlined in the City's Administrative Policy, MPMCA and the City agree to meet and discuss the Catastrophic Leave Bank policy. ~~All regular employees covered by this Agreement will be enrolled in the Catastrophic Leave Bank as described in Administrative Policy 30-10. The City will annually contribute eight (8) hours of sick leave on behalf of each eligible employee. Probationary employees are not eligible for participation in the Catastrophic Leave Bank program but will be enrolled upon completion of probation.~~

ARTICLE 12: CASH OUT OF ACCRUED LEAVE

1. Optional Annual Cash-Out

- A. Employees must submit an irrevocable election form, by no later than December 15th of the preceding calendar year, to cash-out ~~PTO, vacation, sick~~ or holiday leave (or a combination thereof), up to ~~200~~20 hours of leave that may accrue in the following calendar year. ~~Employees may increase their irrevocable election by an additional 40 hours (for a maximum of 160 hours). However, the additional 40 hours can only be from vacation hours or holiday hours (but not sick leave hours) to be accrued in the following calendar year.~~ The cash-out is for hours to be accrued in the calendar year following submission of the irrevocable election form. The employee shall indicate on the irrevocable election form the number of hours to be cashed out with the last paycheck in June and/or the last paycheck in December. Employees must maintain a minimum of 100 hours through a combination of their PTO bank, frozen sick leave banks, and/or holiday leave banks ~~in sick leave bank 2~~ and cannot cash out ~~sick~~ hours that will bring them below the 100 hour minimum requirement.

The payment shall be made via payroll with the last paycheck in the following June or December, as designated by the employee, after receipt of the irrevocable election form.

Employees who do not submit an irrevocable election form by December 15th will be deemed as foregoing participation in the optional annual leave cash-out program for that following calendar year.

In the event an employee has less hours in their leave bank at the time the cash-out is to be paid than they had previously elected to cash-out, the employee shall only be paid for up to the amount remaining in their designated leave bank at the time of the actual cash-out.

If an employee makes an irrevocable election to cash-out leave in the following calendar year and uses leave during that subsequent calendar year, the leave used may come from leave the employee had earned (if any) prior to January 1st of the calendar year the employee had elected to cash-out and/or in that same calendar year. The

employee's use of earned, but unused leave accumulated from previous calendar years shall not result in a reduction in the amount of leave hours the employee is eligible to cash-out.

- B. An employee who experiences an unforeseeable emergency may be permitted to make a new irrevocable election and/or to increase the amount of a previous election, subject to the same value that was permitted at the time the annual irrevocable election forms were due.

For these purposes, an "unforeseeable emergency" means a financial hardship to the employee resulting from any of the following:

- Accident, illness, injury or death of the employee or an immediate family member. For this purpose, an "immediate family member" is restricted to a spouse, registered domestic partner, child/legal dependent, or parent; or
- Loss or extensive damage to the employee's property due to casualty; or
- Other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant.

Whether an occurrence is an unforeseeable emergency shall be solely determined by the City Manager or designee.

The payment shall be made with the last paycheck in December of that same calendar year.

- C. Any cash-out of sick leave shall not cause the employee's total amount of accumulated sick leave in their sick leave bank 2 to fall below a hundred (100) hour minimum balance. Cash-out of accumulated time shall be at the employee's option. Requests for cash-out are to be submitted in a manner prescribed by the City.

ARTICLE 13: BEREAVEMENT LEAVE

- A. Each employee covered by this agreement may be granted bereavement leave at the discretion of the employee's Department Director whenever death occurs to a member of the employee's immediate family. Paid bereavement leave may not exceed four (4) working days. Should the employee require a fifth working day off, the employee shall be able to use sick or vacation leave, or take an unpaid day off. However, if travel outside the State of California, or within the State of California, but extending beyond a distance of 300 miles from Monterey Park is necessary, paid bereavement leave may be extended to a total of five (5) working days. Bereavement Leave shall be charged to a separate, paid leave account. Employees shall be allowed to take bereavement leave pursuant to this article within three (3) months of the death of the immediate family member.

- B. Immediate family, for the purpose of bereavement leave, shall include spouse, registered

domestic partner, father, father-in-law, mother, mother-in-law, child, stepchild, grandparents, grandchildren, brother, brother-in-law, sister or sister-in-law of the employee.

ARTICLE 14: MILITARY LEAVE

Military Leave of Absence shall be granted in accordance with provisions of the City of Monterey Park's Personnel System Rules and Regulations, Administrative Policy 30-14 and as defined in Section 395 et. seq. of the Military and Veteran's Code of the State of California.

An employee who is granted either a temporary military leave or other military leave while serving a probationary period must complete the remainder of the probationary period upon his/her reinstatement. The leave period will not reduce the length of the probationary period or offset any portion of the probationary period.

ARTICLE 15: JURY DUTY

- A. An employee of the City who is required to participate as a juror or required to participate in the jury selection process, shall be paid up to and including ten (10) days of salary and benefits during each fiscal year while engaged in such activities. Compensation shall extend beyond ten (10) days only upon provision to the City of a certified court document showing that trial counsel and/or the court estimated the trial for which an employee has been selected as a juror, to be of ten (10) or less days in duration.
- B. Under such circumstances, the employee shall receive his/her regular salary while on such leave, provided that the employee remits to the City any payments or fees received as a witness. The employee shall be allowed leave with pay during the period of such service. ARTICLE 30: RETIREE HEALTH SAVINGS PLAN

Beginning August 30, 2025, full-time unit employees will contribute 10 hours of PTO annually (to be deducted once a month) into a Retiree Health Savings Plan ("RHSP") as described in this section.

- A. The intent of the RHSP is to help participants pay eligible medical expenses during retirement using tax-deferred funds.
- Eligible expenses include retiree health plan premiums, Medicare premiums, long-term care premiums, and out of pocket health expenses.
- B. The City agrees to contribute the dollar equivalent of 10 hours annually of PTO time to the unit employee's RHSP account. These contributions will be made for each complete calendar month of an employee's active City service. For example, each eligible member will receive 0.83 hours per month contribution equaling 10 hours annually. For example, an employee's PTO leave accrual will be reduced from 170 hours annually to 160 hours annually (see Article 10).
- C. Contributions to RHSP are 100% vested.
- D. Contributions and earning on the contributions to the RHSP accumulate on a tax-free basis and are not subject to tax if they are used to pay for eligible medical expenses for participants and their eligible dependent(s).
- E. Participants are allowed to self-direct all account assets into one or more of the investment options available within RHSP.
- F. The RHSP shall provide for benefits to be paid to the unit employee after separation from City service based upon contributions made on behalf of such employee and shall not define a particular benefit to be paid to such employee.
- G. Unit employees, whether active or terminated, may not transfer their RHSP account to a similar plan not sponsored by the City.
- H. In the event of death, the participant's account will transfer ownership to a surviving spouse or tax-qualified dependent. If the participant does not have a spouse or tax-qualified dependent, the unused assets will be forfeited back to the plan to reduce administrative fees for plan participants.
- I. The RHSP will be administered by an authorized plan administrator designated by the City in a manner consistent with this agreement. Administration fee will be paid by plan participants.
- J. The City may change the RHSP at any time during the term of this agreement, provided that the amount of contributions to the RHSP specified in section B. above does not change. Any change shall not affect any contributions that have vested under Section C. above.
- K. Before August 28, 2025, a one-time pre-funding contribution by unit employees who elect to use sick leave bank 1 and/or 2 at 75% cash value, vacation leave bank and/or holiday leave bank at 100% cash value to deposit up to 300 hours of leave in the RHSP

account (i.e. 300 sick leave hours is equivalent to 225 cash hours). If the total of the balance from all 3 leave banks is less than 300 hours, then only the value of the total number of leave hours available (even if less than 300 hours) shall be deposited on behalf of that employee into an RHSP account. This is a one-time contribution. In no event shall this contribution exceed any IRS contribution limits. Ongoing contributions shall continue per Article 30 (B), subject to any IRS contribution limits. For purposes of this provision, all leave hours shall be valued at the base hourly rate as of August 28, 2025.

ARTICLE ~~31~~29: INDUSTRIAL INJURY

All full-time employees shall be allowed for each injury or illness, normal salary for the first day of absence to, and including, the last day of absence for a period not to exceed 120 calendar days that occur within a 36-month period.

If the employee is still receiving temporary disability payments after entitlement to industrial injury or illness leave is exhausted, the employee shall be placed on regular sick leave, vacation leave, or accumulated compensatory time off. While Temporarily Totally Disabled (TTD), the employee shall be entitled to use only so much of such other leave benefits (i.e. sick, vacation, comp, etc.), which, when added to temporary disability payments, provide for a normal full day's wage or salary.

The City shall be authorized to make application for said employee's disability retirement in those instances where the employee is either permanent, stationary and incapacitated for the performance of his or her duties, or in the alternative, where there is not a reasonable medical certainty that the employee, although not permanent and stationary, will recover to the extent necessary to perform the essential duties of his/her position regardless of whether or not any form of paid leave remains in the employee's various paid leave accounts.

During the time frame that an employee is on full paid leave, the employee shall continue to accrue all fringe benefits.

Nothing herein shall prohibit an employee from requesting a leave of absence without pay from the City Council. Such leave is not guaranteed, nor may it exceed beyond a period of one (1) year from date of injury.

The granting of industrial injury and illness leave may be withheld until the City has accepted the injury or illness as being an industrial accident or a compensable injury.

ARTICLE ~~32~~30: UNIT DETERMINATION AND MODIFICATION

A. Policy and Standards for Determination of Appropriate Units

The policy objectives in determining the appropriateness of units shall include: (1) efficient operations of the City and its compatibility with the primary responsibility of the City and its employees to effectively and economically serve the public, and on (2)

providing employees with effective representation based on recognized community of interest considerations. These policy objectives require that the appropriate unit shall be the broadest feasible grouping of positions that share an identifiable community of interest. Factors to be considered shall be:

1. Similarity of the general kinds of work performed, types of qualifications required, and the general working conditions.
2. History of representation in the City and in similar employment; except however, that no unit shall be deemed to be an appropriate unit solely on the basis of the extent to which employees in the proposed unit have organized.
3. Consistency with the organizational patterns of the City.
4. Number of employees and classifications, and the effect on the administration of employer-employee relations because of the fragmentation of classifications and/or proliferation of units.
5. Effect on the classification structure and impact on the stability of the employer-employee relationship because of dividing a single or related classification among two or more units.

Notwithstanding the foregoing provisions of this Section, managerial, supervisory and confidential responsibilities, as defined in this Section, are determinative factors in establishing appropriate units hereunder. Therefore, such managerial, supervisory and confidential employees may not represent any employee organization that represents other employees and may not be represented by the same.

The Director of Human Resources and Risk Management shall, after notice to and consultation with affected employee organizations, allocate new classifications or positions, delete eliminated classifications or position, and retain, reallocate or delete modified classifications or positions, from units in accordance with the provisions of this Section.

The following definitions apply to this Section:

1. “Appropriate Unit” means a unit of employee classes or positions, established pursuant to this Section.
2. “Management Employee” means any employee having responsibility for formulating, administering or managing the implementation of City policies and programs.
3. “Supervisory Employee” means any employee having authority, in the interest of the City, to hire, suspend, layoff, recall, promote, discharge, assign, reward, or discipline other employees, or responsibility to direct them, or to adjust their grievances, or effectively to recommend such action if, in connection with the

forgoing, the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgment.

4. "Confidential Employee" means any employee who assists and acts in a confidential capacity to person(s) who formulate, determine, and effectuate management policies in the field of employee relations and/or who has access in the course and scope of employment to any information that is or may be utilized in formulating such management policies.

B. Procedure for Modification of Established Appropriate Units

1. Requests by employee organizations for modification of established appropriate units shall be considered by the Director of Human Resources and Risk Management. Such requests shall be submitted in the form of a Recognition Petition and, in addition to the requirements set forth in Municipal Code Section 2.32.050, shall contain a complete statement of all relevant facts and citations in support of the proposed modified unit in terms of the policies and standards set forth in Section A of this Article. Any Association request for modification to its unit shall be limited to a two (2) week window period annually to be determined by the Director of Human Resources and Risk Management with reasonable notice to the Association. The Director of Human Resources and Risk Management shall process such petition as recognition petitions are processed under this Chapter.
2. The Director of Human Resources and Risk Management may, on his/her own motion, propose that an established unit be modified. The Director of Human Resources and Risk Management shall give written notice of the proposed modification(s) to any affected employee organization. Any affected employee organization may, within seven (7) calendar days after service of notice, request a meeting with the Director of Human Resources and Risk Management by which to contest the proposal(s). Not later than seven (7) calendar days after receipt of such request, the Director of Human Resources and Risk Management shall conduct such meeting at which time all affected employee organizations shall be heard. Thereafter, the Director of Human Resources and Risk Management shall determine the composition of the appropriate unit or units in accordance with Section A of this Article, and shall give written notice of such determination by depositing the same in the mail, addressed to the affected employee organizations. The Director of Human Resources and Risk Management's determination may be appealed as provided in paragraph 3 of this Section. However, if a unit is modified pursuant to the motion of the Director of Human Resources and Risk Management, employee organizations may thereafter file Recognition Petitions seeking to become the Exclusively Recognized Employee Organization for such new appropriate unit or units pursuant to Section 2.32.050 of the Municipal Code.

The "meeting" described herein shall be informal and shall consist of the participating employee organization providing verbal and/or written input regarding its position.

3. Appeals

An employee organization aggrieved by an appropriate unit determination of the Director of Human Resources and Risk Management pursuant to this Section may, within ten (10) calendar days of mailing by the Director of Human Resources and Risk Management of notice thereof, appeal such determination to the City Manager for final decision.

Appeals to the City Manager shall be filed in writing with the City Manager's Secretary and a copy shall be provided to the Director of Human Resources and Risk Management by the appellant. The written appeal shall be received by the City Manager's Secretary no later than ten (10) calendar days after the Director of Human Resources and Risk Management's decision was mailed.

A unit designated by the Director of Human Resources and Risk Management need not be "most appropriate," or "more appropriate," but need only be "appropriate." If "appropriate," then the City Manager shall affirm the decision of the Director of Human Resources and Risk Management. If not "appropriate," then the City Manager shall determine which unit is "appropriate."

An employee organization's appeal shall state the complete basis for the appeal and shall be confined to a determination of whether or not the unit resulting from the Director of Human Resources and Risk Management's decision was "appropriate" pursuant to the guidelines of Paragraph 1, above. The City Manager shall conduct the appeal hearing within fifteen (15) calendar days of receipt of the appeal and shall issue his/her written decision within fifteen (15) calendar days after conclusion of the hearing. The City Manager's decision shall be served upon the appellant(s) by depositing the same in the U.S. mail, and shall be administratively final and binding.

4 To the extent that any element of this Section is inconsistent with any other provision of this Chapter, the provisions of this Section shall prevail to the extent necessary to cause the Section to be operative.

5 Subsequent to this agreement, should the City and another association adopt a version of this Article 33 of the MOU that is different than that adopted by the City and the Association, the Association has the right to negotiate and adopt any such changes limited to this Article 33 and include them in this MOU.
