JESSIKA GO, American Cancer Society
LARRY SULLIVAN, Cascades Team Leader- \$600

Every Making Strides Against Breast Cancer walk is a powerful and inspiring opportunity to unite as a community to honor breast cancer survivors, raise awareness about steps we can take to reduce our risk of getting breast cancer, and raise money to help the American Cancer Society fight the disease with breast cancer research, information and services, and access to mammograms for women who need them. Since Making Strides began 20 years ago, breast cancer death rates have declined more than 32 percent.
