RE: Bruggemeyer Library Board of Trustees

Dear Honorable Councilmembers,

I have over four years of experience in both statewide political operations and local community organizations. Currently as an Account Executive at Quimby Group Consulting I have been central in fundraising and event management, developing client tailored strategies for statewide and district wide candidates as well as non-profit organizations. In a support role I have been able to provide comprehensive research while coordinating efforts across several organizations. As a lead I work directly with clients and communicating with potential donors and supporters to secure contributions and endorsements. In this capacity I have been successful in managing events and fundraising efforts step by step to ensure a professional event and measurable results.

In my work with the East Los Angeles Pregnancy Center and Quimby Group Consulting, event organization and community relations have been the staple of my success. For the past 4 years, I have also been working with local non-profit organizations such as the East Los Angeles Pregnancy Center. In the past, I served as the Community Outreach Director for the East Los Angeles Pregnancy Center, and currently serve as the organization's Vice President. In only a year, the efforts and initiatives that I led resulted in quantifiable results such as doubling donations to the organization, and tripling the number of clients serviced. I accomplished this by developing a wide-ranging fundraising strategy and a modern advertising approach.

Previously I worked for over a year for the California Republican Party's Victory 2010 campaign. In this position, I gained valuable experience working with grassroots organizations and helping to develop the Party's statewide operations. I worked extensively on outreach, and managed essential tasks such as creating comprehensive statewide contact lists, and developing effective strategies for voter and volunteer outreach. I was also responsible for implementing the Coalitions initiative, a statewide outreach program aimed at reaching out to non-traditional Republican voters. I was able to make the initiative a success by building strong and lasting relationships with the community and its leaders.

I am a lifelong resident of Monterey Park. I went to Repetto Elementary, played in Barnes Park and learned in the Bruggemeyer Library. As an adult I understand this is not just where I learned to read as a child but where resident read to learn and better themselves through various city resources as adults. I am a graduate of UCLA, earning my Bachelor of Arts Degree in Political Science with an emphasis on American Politics. My formal education coupled with my on-the-job experience make me an ideal candidate for a position on the board of trustees. I believe that my unique life experiences and passion for our community will make me a strong addition to this board.

Sincerely,
Randall Avila
