ECUADORIAN DUAL NATIONALITY DAY

Accepted by Ana Cecilia Almache

Ecuadorian Dual Nationality Day was declared by the Ecuadorian Congress on January 24, 1995, when the Political Constitution of the Republic was amended to state that “all Ecuadorians who were born in Ecuador and obtain a second citizenship, they will maintain the Ecuadorian citizenship”. Ecuadorian people residing outside of their country are now able to become productive U.S. citizens, while maintaining their strong ties with Ecuador.
