CONGRATULATIONS!

The Monterey Park Youth Leadership Academy was established as an innovative way to empower our youth to promote civic leadership and gain valuable educational opportunities and experience. The academy engages our youth to learn about the various components of the Monterey Park community. Throughout the 10-month long introduction into government affairs, community leaders were invited to share their insights, interact, and challenge the students to expand their comfort zone. The student graduates will have access to a wealth of information and can better cultivate an appreciation for community service and learn how to network with various professionals.

To apply, students must be in high school and a resident of Monterey Park. Information can be obtained from the Recreation and Community Services Dept. at City Hall.
